Contact Rebecca Dills for more information at becky\_26@hotmail.com

September 17th

1000 - 1400

### Desert University "DU" Information Sheet

### What:

Desert University (or "DU") is an education initiative designed to allow Soldiers to attend college courses available through the Fort Irwin Education Center during duty hours to pursue their education goals. The intent is to free up a block of time to focus on coursework that will not conflict with work or family obligations. The current allotted "DU" times are from 1500-1800, two days a week, between Monday and Thursday. The on-site Classroom courses currently available at the Education Center during the DU time period are:

| <u>Dates</u>    | Days Seats Avail | College | Course Name                             |
|-----------------|------------------|---------|---|
| 15 Aug – 15 Oct | Mo/We 30         | BCC     | SOCI 1, Introduction to Sociology       |
| 15 Aug – 15 Oct | Tu/Th 30         | BCC     | MGMT 3, Human Resource Management       |
| 17 Oct – 17 Dec | Mo/We 30         | BCC     | POLI 1, American Political Institutions |
| 17 Oct – 17 Dec | Tu/Th 30         | BCC     | MGMT 5, Organization and Management     |
| 17 Oct – 12 Dec | Mo/We 30         | Park U. | MA 135, College Algebra (pre-req.)      |
| 17 Oct – 12 Dec | Mo/We 30         | Park U. | PS 301, Social Psychology               |

Please note that there are many other on-site courses available during other dates and times. For upcoming terms, both BCC and Park University will work to make more courses available during the "DU" hours.

### Who:

Those individuals taking advantage of the allotted time periods in one of these three ways:

- 1) Attending one of the Barstow Community College and Park University Classes listed above (at the Ed Center).
- 2) Utilizing the Education Center's Multi-Use Learning Facility (MLF) computer lab during those times to take online courses.
- 3) Utilizing an alternate location (not their home or room) to take online courses, as approved by their chain of command, during the allotted times.

### When:

The specified "DU" times are between the hours of 1500-1800, for two days a week, between Monday and Thursdays. Both Soldiers and their chains-of-command, however, are highly encouraged to take advantage of courses during other times as well, as mission allows.

### Where:

"DU" will occur primarily at the Fort Irwin Education Center (or one of its satellite buildings on post), either in the classrooms or the computer lab, during the above times. In addition to the computers available in the computer lab, the Education Center is equipped with Wi-Fi so that Soldiers may bring in and use their personal laptops. Unit commanders may also set up computer labs and authorize their Soldiers to conduct their online courses at those alternate locations. The two DFACs on post are also equipped with Wi-Fi and may be used for "DU." If an alternate location is authorized by the Commander; this will be annotated on the Soldier's "DU" enrollment memo. Commanders that use or set-up these alternate locations are responsible for tracking the attendance of the Soldiers using these facilities.

### Why:

Pursuing educational goals while balancing mission requirements is a challenging but achievable endeavor, and very important to training and educating our professional force. Our Government has gone to great efforts to make it possible for Soldiers to obtain an education. The objective of this policy is to make it possible for our NTC Soldiers to take advantage of these educational opportunities.

### How:

To enroll in "DU," Soldiers will enroll in either the classroom courses offered by Barstow Community College (BCC) and Park University, or in an on-line course verified by an Education Center Counselor. The Counselor will then give the "DU" Enrollment memo to the Soldier to present to their chain-of-command. Once the Soldier's Commander has verified enrollment and signed the memo, the Soldier must be given the allotted times to conduct their coursework and will not be assigned any other duties during those times. A copy of the signed memo will be provided to the Education Center. The meeting with the Education Center Counselor is also an excellent time to discuss financial aid, scholarships, and tuition assistance.
